

REMARKS

The Examiner is respectfully requested to allow Claims 1 – 23, as well as new claims 24 to 26, the only claims pending and currently under examination in this application.

In the above amendment, Claims 24 to 26 have been added. Support for these new claims can be found throughout the specification and claims as originally filed. Claim 24 recites the method of Claim 1 except that the “comprising” language used with respect to the formulation composition has been replaced with “consists essentially of” language. Additionally, Claim 26 recites the method of Claim 1 except that the “comprising” language used with respect to the formulation composition has been replaced with “consists of” language. Furthermore, Claim 25 is supported by page 9, lines 15 to 27. Accordingly, no new matter has been added and entry of the above amendments is respectfully requested.

CONCLUSION

In view of the above, this application is considered to be in good and proper form for allowance and the Examiner is respectfully requested to pass this application to issue.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§1.16 and 1.17 which may be required by this paper, or to credit any overpayment, to Deposit Account No. 50-0815, reference no. CALD-007.
